1.3 Selection Procedure:

The procedure for the selection of agencies in all categories will be carried out as detailed below, by a committee constituted by Kerala Travel Mart Society.

(a) Bidding Process:

Kerala Travel Mart Society has adopted a Two-Stage, bidding process (collectively referred to as the "Bidding Process") for selection of the agencies. The first stage of the evaluation referred to as "Technical Bid" and the second as "Financial Bid".

Both the Technical & financial Bids should be submitted simultaneously **on or before 03.00 PM on 16th March 2026.**

(i) **Technical Bid:** The Technical Bids will be opened by the evaluation committee and marks will be given based on the criteria detailed in the technical bid document. The Technical Marks obtained will be referred to as Technical Scores (St). Agencies will be ranked on the basis of the Technical Score (St), and only agencies who have scored 60 or more marks, will be qualified for financial evaluation.

(ii) **Financial Bid:** The Financial Bids of the agencies that have scored 60 or more Technical Score (St) will be opened on the date shown in the schedule of process/informed by the KTM Society. The lowest Financial Proposal (Fm) will be given a Financial Score (Sf) of 100 points. The financial scores of the other Financial Proposals will be determined using the following formula:

$$\mathbf{Sf = 100 \times Fm/F;}$$

in which Sf is the Financial Score, Fm is the lowest Financial Proposal, and F is the Financial Proposal under consideration.

Combined Technical and Financial Score

For final evaluation and selection, the Agencies will be ranked in accordance with their combined Technical (St) and Financial (Sf) scores with weightage. Since tourism destination marketing requires domain knowledge with creative competence, the Technical Score (St) will be given 60% weightage and Financial Score (Sf) will be given 40% weightage, so that the combined Score will be:

$$\mathbf{S = St \times Tw + Sf \times Fw;}$$

Where S is the Combined Score, and Tw and Fw are weights assigned to Technical Score and

Financial Score respectively, ie

0.60:0.40.

(b) Earnest Money Deposit: The agencies should deposit an Earnest Money Deposit (**EMD**) of Rs.3,00,000/- (Rupees Three Lakhs only) for category A and Rs.1,50,000/- (Rupees One Lakh Fifty Thousand only) for category C, by way of Demand Draft in favour of the "Kerala Travel Mart Society"/ Bank guarantee for equal amount along with the submission of Technical & Financial Bids, on the following conditions.
