- (i) **Technical Bid:** The Technical Bids will be opened by the evaluation committee and marks will be given based on the criteria detailed in the technical bid document. The Technical Marks obtained will be referred to as Technical Scores (St). Agencies will be ranked on the basis of the Technical Score (St), and only agencies who have scored 60 or more marks, will be qualified for financial evaluation.
- (ii) **Financial Bid:** The Financial Bids of the agencies that have scored 60 or more Technical Score (St) will be opened on the date shown in the schedule of process/informed by the KTM Society. The lowest Financial Proposal (Fm) will be given a Financial Score (Sf) of 100 points. The financial scores of the other Financial Proposals will be determined using the following formula:

$$Sf = 100 \times Fm/F;$$

Combined Technical and Financial Score

For final evaluation and selection, the Agencies will be ranked in accordance with their combined Technical (St) and Financial (Sf) scores with weightage. Since tourism destination marketing requires domain knowledge with creative competence, the Technical Score (St) will be given 70% weightage and Financial Score (Sf) will be given 30% weightage, so that the combined Score will be:
